

## **GLOBAL EARTH MONTH PARTNERS**

### **charity: water – Tax ID 22-3936753**

[www.charitywater.org](http://www.charitywater.org)

charity: water is a nonprofit organization bringing clean and safe drinking water to people in developing countries. Since 2006, they have raised over \$300M, funding more than 29,000 water projects around the world to help 8.4 million people get access to clean water, hygiene and improved sanitation.

### **Global Greengrants Fund - Tax ID 84-1612422**

[www.greengrants.org](http://www.greengrants.org)

100% of proceeds from Aveda's Light the Way™ candle are directed to Global Greengrants Fund to help support their clean water projects throughout Africa, Asia, Latin America, and the Pacific Island nations. For over 25 years, they have directed more than \$71M in grants to grassroots organizations in 168 countries.

## **NORTH AMERICA LOCAL PARTNERS**

### **Alliance for the Great Lakes - Tax ID 23-7104524**

[www.greatlakes.org](http://www.greatlakes.org)

Alliance for the Great Lakes is the largest organization dedicated solely to protecting and restoring the Great Lakes which hold 90% of North America's fresh surface water. They work hand in hand with tens of thousands of volunteers, advocates, and supporters around the region to pursue protective policies, advance on-the-ground action, and educate and encourage their communities to get directly involved.

### **American Rivers - Tax ID 23-7305963**

[www.americanrivers.org](http://www.americanrivers.org)

American Rivers protects wild rivers and conserves clean water for people and nature. While fighting for wild, free-flowing rivers remains their top priority, over the years they have expanded their advocacy to include restoring damaged rivers and ensuring ample water supplies for cities and farms. Together with more than 275,000 members, activists, and volunteers, they make a difference every day for clean water, rivers and communities nationwide.

### **Apalachicola Riverkeeper – Tax ID 59-3550426**

[www.apalachicolariverkeeper.org](http://www.apalachicolariverkeeper.org)

The mission of Apalachicola Riverkeeper is to provide stewardship and advocacy for the protection of the Apalachicola River and Bay, its tributaries and watersheds, in order to improve and maintain its environmental integrity, and to preserve the natural, scenic, recreational and commercial character of these waterways.

## **Audubon - Tax ID 13-1624102 (MN, IA, MO, ND, SD, NE)**

[Audubon Minnesota](#)

[Audubon Iowa](#)

[Audubon Riverlands](#)

[Audubon Dakotas](#)

[Audubon Nebraska](#)

[Wichita Audubon Society - Tax ID 48-6108441](#)

Audubon knows that what's good for birds is good for people too. That's why they focus on important places where water quantity and quality are paramount to birds' survival. Their work is guided by three principles to safeguard this precious resource for future generations: restore polluted water, keep our clean water clean, and engage Minnesotans on steps we can take to protect water.

## **Cahaba River Society - Tax ID 63-0987276**

[www.cahabariversociety.org](http://www.cahabariversociety.org)

Cahaba River Society is an educator, expert resource, and collaborative partner for science-based and practical solutions to protect and restore the Cahaba River watershed and its rich diversity of life. As the region's main drinking water source, and the heart of Alabama's globally-significant biodiversity and imperiled freshwater life, it has more species of fish per mile than any river of its size or larger in North America.

## **Cape Fear River Watch – Tax ID 58-2121884**

[www.capefearriverwatch.org](http://www.capefearriverwatch.org)

Cape Fear River Watch has been working to protect and improve the water quality of the Lower Cape Fear River Basin through education, advocacy, and action since 1993. They engage residents of their watershed through programs that focus on stopping heavy industrial pollution, concentrated animal feeding operations (CAFOs) pollution, and fish restoration in order to preserve and safeguard the river.

## **Catawba Riverkeeper - Tax ID 56-2034780**

[www.catawbariverkeeper.org](http://www.catawbariverkeeper.org)

Catawba Riverkeeper works to educate and advocate protection of the Catawba-Wateree River Basin's lakes, rivers and streams for everyone who depends on and enjoys them. One of their most successful programs is the CREEK Program for youth in North and South Carolina which teaches children and teens the importance of the Catawba River, its threats, and best practices to sustain and enhance our waterways.

## **Chattahoochee Riverkeeper - Tax ID 58-2095413**

[www.chattahoochee.org](http://www.chattahoochee.org)

Chattahoochee Riverkeeper's mission is to advocate and secure the protection and stewardship of the Chattahoochee River, including its lakes, tributaries and watershed, in order to restore and conserve their ecological health for the people and wildlife that depend on the river system. Established in 1994, they have more than 7,200 members dedicated solely to protecting and restoring the Chattahoochee River Basin — the drinking water source for nearly four million people.

## **Clark Fork Coalition - Tax ID 36-3428665**

[www.clarkfork.org](http://www.clarkfork.org)

The Clark Fork Coalition is dedicated to protecting and restoring the Clark Fork River basin, a 14-million acre watershed draining over 28,000 miles of rivers and streams in western Montana and northern Idaho. Since 1985, they have worked diligently to ensure that Montana's largest watershed by volume contains cold, clean, abundant water for generations to come.

## **Clean Ocean Action - Tax ID 22-2897204**

[www.cleanoceanaction.org](http://www.cleanoceanaction.org)

Clean Ocean Action works to improve the degraded quality of the waters off the New Jersey and New York coast, home to nearly 700 marine species. Since 1984, they have worked to identify sources of pollution by using research, public education, and citizen action to convince public officials to enact and enforce measures to clean-up and protect our oceans.

## **Clean Water Fund - Tax ID 52-1043444**

[CWF California](#)

[CWF Connecticut](#)

[CWF Massachusetts](#)

[CWF Rhode Island](#)

Since 1974, Clean Water Fund has successfully brought people together across diverse constituencies to campaign for cleaner and safer water, cleaner air, and protection from toxic pollution in our homes, neighborhoods and workplaces. They build upon and complement the work of Clean Water Action, a one million member national organization which has helped develop, pass, strengthen and defend the nation's major water and toxics laws such as the Clean Water Act, Safe Drinking Water Act and more.

## **Columbia Riverkeeper - Tax ID 91-1583492**

[www.columbiariverkeeper.org](http://www.columbiariverkeeper.org)

Columbia Riverkeeper's mission is to protect and restore the water quality of the Columbia River and all life connected to it, from the headwaters to the Pacific Ocean. They focus on public education, grassroots organizing, enforcement of environmental laws and river monitoring with specific program areas including fighting fossil fuel proposals and protecting the Columbia and climate from factory farm pollution.

**Congaree Riverkeeper – Tax ID 26-4193711**

<http://congareriverkeeper.org/>

Congaree Riverkeeper works to protect and improve water quality, wildlife habitat, and recreation on the Congaree, Lower Saluda and Lower Broad Rivers through advocacy, education and enforcement of environmental laws. With over 90 miles total that provide a source of precious drinking water, place to play, and place of beauty, they work diligently to preserve the rivers for future generations.

**Environmental Advocates of New York -Tax ID 22-2360736**

[www.eany.org](http://www.eany.org)

Environmental Advocates of New York's mission is to protect air, land, water, wildlife and the health of all New Yorkers. Based in Albany, they monitor state government, evaluate proposed laws, and champion policies and practices that will ensure the responsible stewardship of our shared environment. They work to support and strengthen the efforts of New York's environmental community and to make New York state a national leader.

**Environmental Defense Center – Tax ID 77-0061994**

[www.environmentaldefensecenter.org](http://www.environmentaldefensecenter.org)

Environmental Defense Center works to protect and enhance the local environment through education, advocacy, and legal action. Since 1977, they have empowered community-based organizations to advance environmental protection in the areas of climate and energy, protecting open space and wildlife, clean water, and the Santa Barbara Channel. They remain the only public interest environmental law firm between Los Angeles and San Francisco.

**Everglades Foundation - Tax ID 59-3228899**

[www.evergladesfoundation.org](http://www.evergladesfoundation.org)

Everglades Foundation is dedicated to protecting and restoring America's Everglades, a unique ecosystem that provides economic, recreational and life-sustaining benefits to millions of people in Florida who depend on its future health. Through the advancement of scientifically sound and achievable solutions, the Foundation seeks to reverse the damage inflicted on the ecosystem and provide policymakers and the public with an honest and credible resource to help guide decision-making on complex restoration issues.

**Forests Forever (Hopkins Demonstration Forest) - Tax ID 91-1846241**

[www.demonstrationforest.org](http://www.demonstrationforest.org)

Forest Forever promotes science-based education to enhance understanding of, and appreciation for, the complexities and benefits of woodland management. For nearly 30 years they have rallied Californians in defense of the state's 17 million acres of woodland ecosystems and watersheds through year-round education, grassroots organizing, litigation, executive-branch and legislative advocacy and more.

## **Friends of Haystack Rock - Tax ID 33-1069687**

[www.friendsofhaystackrock.org](http://www.friendsofhaystackrock.org)

Friends of Haystack Rock supports the Haystack Rock Awareness Program (HRAP), a stewardship and environmental education program whose mission is to protect, through education, the intertidal and bird ecology of the Marine Garden and Oregon Islands National Wildlife Refuge at Haystack Rock. Since 1985, they have educated and inspired over one hundred thousand adults and children to learn about the natural resources at Haystack Rock and in other places on our Earth.

## **Gulf Restoration Network - Tax ID 72-1447742**

[www.healthygulf.org](http://www.healthygulf.org)

Gulf Restoration Network unites and empowers people to protect and restore the natural resources of the Gulf Region. Their vision is that The Gulf of Mexico will continue to be a natural, economic and recreational resource central to the culture and heritage of five states and several nations, and that its people will assume the responsibility of returning the Gulf to its former splendor. They focus on conserving marine life, sustaining coastal communities, defending wetlands, protecting water and resisting dirty energy.

## **Hoosier Environmental Council -Tax ID 35-1576694**

[www.hecweb.org](http://www.hecweb.org)

Hoosier Environmental Council is the voice of the people for the environment in Indiana. They tackle environmental challenges to help make Indiana a healthier, better place to live and to do business. Their focus areas include protecting Indiana's waterways and citizens from coal ash, factory farms and other contamination, and conserving and protecting species and habitats across the state.

## **Idaho Rivers United - Tax ID 82-0439916**

[www.idahorivers.org](http://www.idahorivers.org)

Idaho Rivers United is a conservation organization representing all who love the freedom, adventure and solitude of Idaho's rivers with a mission to protect and restore them. Since 1990, they have become a powerful force for safeguarding Idaho's imperiled wild steelhead and salmon, protecting and enhancing stream flows and riparian areas, and defending and promoting the wild, scenic qualities of our rivers.

## **James River Association – Tax ID 51-0211913**

<https://jrava.org/>

The mission of the James River Association is to be guardian of the James River, the largest river in Virginia flowing across the entire state. They provide a voice for the river and take action to promote conservation and responsible stewardship of its natural resources. They achieve their mission through a variety of programs focused on advocacy, education and watershed restoration benefiting the 10,000-square mile river.

**Kentucky Waterways Alliance - Tax ID 61-1239766**

[www.kwalliance.org](http://www.kwalliance.org)

Kentucky Waterways Alliance envisions a Kentucky that sustains and celebrates their vast network of healthy waterways. Kentucky's lakes, rivers, streams, and wetlands support thriving aquatic ecosystems, healthy fish and wildlife populations, abundant recreation, and dependable, clean water supplies for future generations.

**Lake Champlain Committee - Tax ID 22-2482466**

[www.lakechamplaincommittee.org](http://www.lakechamplaincommittee.org)

Lake Champlain Committee, with a history of over 50 years, is the region's only bi-state citizens' organization dedicated to lake health and accessibility through science-based advocacy, education and collaborative action. They take a whole-lake approach to issues that affect this natural treasure, which boasts nearly 600 miles of shoreline in New York, Vermont and Quebec.

**League to Save Lake Tahoe - Tax ID 94-6128680**

[www.keeptahoeblue.org](http://www.keeptahoeblue.org)

The League is a solutions-based organization, focused on advocating for sensible environmental standards backed by science and monitoring, devoted community engagement, grassroots involvement, and a collective ideology of working together to protect the Lake Tahoe Basin. Their current campaigns focus on combatting pollution, promoting restoration, tackling invasive species and protecting Tahoe's shoreline.

**Lower Mississippi Riverkeeper - Tax ID 72-1051343**

[www.lmrk.org](http://www.lmrk.org)

The Lower Mississippi Riverkeeper is the first project of its kind for Louisiana and the first on the Mississippi River. They serve to energize current activists to participate in environmental decisions, educate the public and government leaders about environmental challenges and economic opportunities regarding the Mississippi River, and how reduced water pollution benefits us all.

**McKenzie River Trust - Tax ID 93-1029808**

[www.mckenzieriver.org](http://www.mckenzieriver.org)

McKenzie River Trust works with landowners and diverse partnerships to protect nearly 5,000 acres of critical habitat and scenic lands in the McKenzie basin. They focus on enhancing and reestablishing native vegetation, water cycles and other functional ecosystem elements, and connecting people to the places they care about through education, tours and demonstration and research sites.

## **Natural Resources Council of Maine - Tax ID 01-0270690**

[www.nrcm.org](http://www.nrcm.org)

Natural Resources Council of Maine works to protect, restore and conserve Maine's environment, now and for future generations. They focus on protecting the health of Maine's rivers, lakes and wetlands; reducing the amount and toxicity of waste to conserve natural resources and stop toxic pollution, set Maine on a path to a prosperous sustainable energy future, and conserve Maines' woods, wilderness and wildlife.

## **Ogeechee Riverkeeper – Tax ID 58-2636669**

[www.ogeecheeriverkeeper.org](http://www.ogeecheeriverkeeper.org)

Ogeechee Riverkeeper works to protect the 5,500 square mile Ogeechee River basin, an ecological treasure for residents and visitors alike. Despite the impression of a largely rural landscape, increased pressures of agribusiness, population growth, water withdrawals and wastewater discharges are forcing the rivers to undergo drastic changes in water quality and face serious ecological decline. Ogeechee Riverkeeper works to reverse these trends and improve the river basins condition.

## **Para La Naturaleza – Tax ID 66-0801404**

[www.paralanaturaleza.org](http://www.paralanaturaleza.org)

Para La Naturaleza, a unit of the Conservation Trust of Puerto Rico, has worked for 43 years in the islands of Puerto Rico, one of the most threatened regions in the world, to protect more than 25,000 acres of ecologically precious land. They provide tours, workshops, volunteer opportunities and citizen science initiatives to over 60,000 visitors annually with the support of over 30,000 volunteers.

## **Puget Soundkeeper - Tax ID 91-1285783**

[www.pugetsoundkeeper.org](http://www.pugetsoundkeeper.org)

With a mission to protect and preserve the waters of Puget Sound, Puget Soundkeeper takes the lead in maintaining a healthy, thriving ecosystem for everyone in their region. They actively patrol the waters, enforce the Clean Water Act, engage with businesses, government, agencies and community members, and pursue strong policy and proactive solutions to prevent toxic pollution.

## **Rocky Mountain Field Institute – Tax ID 74-2225140**

[www.rmfi.org](http://www.rmfi.org)

The Rocky Mountain Field Institute is dedicated to the conservation and stewardship of public lands in Southern Colorado. They are committed to protecting and enhancing the ecological health of our land and water resources by completing projects focused on watershed restoration, forest health, and creating sustainable outdoor recreation opportunities. They envision a world where their work fosters vibrant and healthy natural systems that are respected and cared for by the public.

## **Rogue Riverkeeper – Tax ID 93-1246139**

[www.rogueriverkeeper.org](http://www.rogueriverkeeper.org)

Rogue Riverkeeper, founded in 2008 as a program of the Klamath Siskiyou Wildlands Center, works to protect and restore clean water and native fish in the Rogue watershed using advocacy, accountability and community engagement. They safeguard the health of the Rogue River, using fundamental environmental protections such as the Clean Water Act, to improve water quality across the basin's 3.3 million acres.

## **San Marcos River Foundation – Tax ID 74-2428376**

[www.sanmarcosriver.org](http://www.sanmarcosriver.org)

San Marcos River Foundation works to protect public access and preserve the San Marcos River by protecting the flow from aquifer-fed springs, improving water quality and preserving the beauty of the area. They participate in regional watershed protection plans, support habitat conservation projects, organize volunteers to remove invasive plants and protect rare, threatened and endangered species endemic to the river and the Edward's Aquifer and more.

## **Save the Illinois River – Tax ID 73-1218779**

[www.illinoisriver.org](http://www.illinoisriver.org)

Save the Illinois River, Inc. works to preserve the Upper and Lower Illinois River, Flint Creek, Barren Fork Creek, Tenkiller Lake, and their tributaries. They monitor water-quality issues including pollution, and follow matters before the Oklahoma Legislature, Oklahoma Scenic Rivers Commission, Greater Tenkiller Area Association, Cherokee Nation of Oklahoma, and state and federal agencies.

## **Sierra Club Foundation Ohio Chapter - Tax ID 94-6069890**

[www.ohio.sierraclub.org](http://www.ohio.sierraclub.org)

Sierra Club Foundation Ohio Chapter has been a valued clean water advocate for decades. Through a combination of legal action, grassroots organizing, public education and advocacy, they focus on solutions to protect the rivers, streams, tributaries, and wetlands across the state from polluting industries, agricultural and storm-water runoff, urban development, sewer overflows, and more.

## **Spokane Riverkeeper - Tax ID 91-1939768**

[www.cforjustice.org/river](http://www.cforjustice.org/river)

Spokane Riverkeeper is a for-impact program of the Center for Justice dedicated to protecting and restoring the health of the Spokane River Watershed through collaboration, education, and, when necessary, litigation to preserve the Spokane River's health now and in the future.

## **St. Johns Riverkeeper – Tax ID 59-3611338**

[www.stjohnsriverkeeper.org](http://www.stjohnsriverkeeper.org)

St. Johns Riverkeeper works on behalf of the community as a voice that defends, advocates, and activates others to protect and restore the St. Johns River. They achieve their mission through monitoring and reporting water quality and pollution, ensuring environmental laws and regulations are implemented and enforced, providing high-quality education and resource programs, and more.

## **Surfrider Foundation - Tax ID 95-3941826**

[www.surfrider.org](http://www.surfrider.org)

Surfrider Foundation is dedicated to the protection and enjoyment of the world's oceans, waves and beaches through a powerful activist network that ensures beaches are accessible, and oceans and coasts are protected, preserved, and plastic-free. Their Blue Water Task Force program, which is volunteer-run, measures bacteria levels, and compares them to federal standards set by EPA to protect public health in recreational waters.

## **Tennessee Clean Water Network - Tax ID 62-1832268**

[www.tcwn.org](http://www.tcwn.org)

Tennessee Clean Water Network empowers Tennesseans to exercise their right to clean water and healthy communities by fostering civic engagement, building partnerships, and enforcing water policy for a sustainable future. Their 'Bringing Tap Back' program helps improve access to safe, healthy and free drinking water while launching targeted educational campaigns to promote drinking water instead of sugar-sweetened beverages.

## **WaterAid Canada - Tax ID 98-0595648**

[www.wateraidcanada.org/ca](http://www.wateraidcanada.org/ca)

<http://collegaeearthmonth.com/>

WaterAid Canada is committed to transforming the lives of the poorest and most marginalized people by improving access to safe water, sanitation and hygiene. They believe extreme poverty cannot be eradicated without universal access to these human rights, and that everyone on our planet needs them to live healthy, dignified and productive lives. All funds raised support achieving 100% coverage, or universal access, to safe water in the rural municipalities of Sabotsy Anjiro and Belavabary.

## **Water for People - Canada – Tax ID 84-1166148**

<https://www.waterforpeople.org>

Water For People - Canada has established committees throughout Canada mostly in conjunction with regional sections of the American Water Works Association. Since 1995, they have sponsored more than 50 projects benefiting the most marginalized people, particularly women and children in Bolivia, Honduras, Guatemala, Malawi and Vietnam. Water for People - Canada takes pride in teaching people how to address their own water issues, encouraging capacity-building and long-term sustainability by the communities themselves.

## **Western Resource Advocates - Tax ID 84-1113831**

[www.westernresourceadvocates.org](http://www.westernresourceadvocates.org)

Western Resource Advocates has spent over 25 years protecting the West's land, air and water to ensure that vibrant communities exist in balance with nature. They place specific focus on the Colorado River which nearly 40 million people across seven U.S. states and in Mexico depend on for drinking water. Over 5 million acres of farmland are irrigated by the river, and for wildlife, including 30 endemic fish species and millions of birds, the river is essential for survival.

## **WildEarth Guardians - Tax ID 85-0406306**

[www.wildearthguardians.org](http://www.wildearthguardians.org)

WildEarth Guardians works to protect and restore the wildlife, wild rivers, wild places, and health of the American West. They aspire for a day when all human communities embrace a stewardship ethic that ensures we have healthy, living river ecosystems, and where wildlife and wild places are respected and valued. Over the last 20 years, they have managed more than 40 ecological restoration projects across New Mexico, planting over 1 million trees and restoring over 35 miles of streams.

## **Willamette Riverkeeper – Tax ID 93-1212629**

<http://willamette-riverkeeper.org/>

Since 1996, Willamette Riverkeeper has served as the eyes, ears and voice of the Willamette River with the sole mission to protect and restore it. They work to enable the Willamette River Watershed to function more naturally with cold, pure water, meandering backchannels, and dynamic habitat for fish and wildlife.

## **Wyoming Wilderness Association – Tax ID 38-3667856**

[www.wildwyo.org](http://www.wildwyo.org)

Wyoming Wilderness Association works to defend Wyoming's magnificent wild landscapes from the pressures of development, mismanagement, and commodification. They use advocacy, education, and outreach to ensure public lands remain pristine and intact for every American citizen to enjoy now and into the future. One of their top priorities is to defend the wilderness characteristics of wild, roadless lands and safeguard their potential for future wilderness designation.

## **Yadkin Riverkeeper – Tax ID 26-1874687**

[www.yadkinriverkeeper.org](http://www.yadkinriverkeeper.org)

Yadkin Riverkeeper seeks to respect, protect and improve the Yadkin Pee Dee River Basin through education, advocacy and action. They achieve this through their Sustain a RIVERKEEPER© program, by measurably improving water quality, bringing legal action, if necessary, to enforce state and federal environmental laws, and by teaching and practicing a river ethic of ecological respect to all ages.

## **INTERNATIONAL LOCAL PARTNERS**

### **A Drop of Life**

[www.adropoflife.org](http://www.adropoflife.org)

A Drop of Life, established in 1998, is dedicated to bringing clean water to people in need. They complete sustainable water projects in Nepal, Cambodia, mainland China and Hong Kong, build water facilities in remote mountainous areas, help alleviate poverty, build new schools and provide disaster relief when needed.

### **Auara Empresa Social**

[www.auara.org](http://www.auara.org)

There are 700 million people in the world who do not have access to drinking water and AUARA exists to fight against this reality. Their global projects focus on 3 key areas: providing clean drinking water, sanitation and farming. They aim to reduce hunger and disease, give access to proper hygiene, increase school enrollment and support the independence of women.

### **Bantay Kalikasan**

[www.abs-cbnfoundation.com/bk](http://www.abs-cbnfoundation.com/bk)

Bantay Kalikasan has stayed true to its mission to initiate and catalyze initiatives to ensure an actively protected, adequately rehabilitated and sustainably-managed environment. It has pioneered successful watershed management in the Philippines with over 1,552 hectares of the La Mesa Watershed now reforested.

### **Blue Army**

<https://www.blaiherinn.is/>

The Blue Army (Blái herinn) has helped keep Iceland's ocean and coastline trash-free for more than 20 years by organizing over 130 beach and underwater cleanups with 2,000 volunteers dedicating 54,000 hours of voluntary service. Through education and advocacy, they encourage their citizens to be more environmentally-responsible and to lead by example.

### **Dubai Cares**

<http://www.dubaicare.ae/en>

Dubai Cares, part of Mohammed bin Rashid Al Maktoum Global Initiatives, is a UAE-based global philanthropic organization working to provide children in developing countries with access to quality education through the design and funding of programs that are integrated, impactful, sustainable and scalable.

## **Earth Literacy Program**

<http://www.elp.or.jp>

Earth Literacy Program, founded in Japan, focuses on the communication and dissemination of information related to the environmental challenges currently facing our planet including protecting clean water. Through cutting edge technology they utilize digital globes to show where our water comes from, what areas are lacking in water, and the steps we can take to protect it.

## **EcoKnights**

[www.ecoknights.org.my](http://www.ecoknights.org.my)

EcoKnights, established in 2005, focuses on education and outreach to raise awareness and build the capacity of Malaysians to address environmental issues by taking action. One of their key projects, Blue Life, works to deliver safe drinking water to villagers on the island of Mantanani, and to develop alternative livelihoods to existing fisheries with the aim of ensuring the present fish population is sustainable.

## **Environmental Ethics Foundation of Taiwan**

<http://www.eeft.org.tw/>

Environmental Ethics Foundation of Taiwan, established in 2007, is dedicated to promote environmental awareness and action among public and education systems in Taiwan. They achieve this by constructing high-quality nature and environment learning centres, implementing strong environmental education programs in schools, and providing outreach and education to citizens on sustainable environmental issues.

## **Koruncuk Foundation**

[www.koruncuk.org](http://www.koruncuk.org)

The Foundation of Children in Need of Protection in Turkey (Koruncuk Foundation) works to ensure that every child in Turkey has a family, is provided with adequate nutrition, is in a safe place where they are loved and respected, and provided education so that they can live healthy, productive lives in their communities.

## **Raindrop**

[www.rain-drop.org](http://www.rain-drop.org)

Rain Drop, established in 2010, works to improve living conditions through the sustainable management of natural resources. In addition to protecting and providing clean drinking water, their global projects also focus on organic agriculture, reforestation and the development of new sources of income, especially for women.

## **Singapore Environment Council**

[www.sec.org.sg](http://www.sec.org.sg)

Singapore Environment Council works to foster lasting environmental and societal values that encourage and achieve environmental sustainability. They achieve this through strong collaboration with people, industries and governments, setting sustainability standards for green consumerism, educating and empowering the people of Singapore to lead green lifestyles, and by promoting biodiversity in the urban environment.

## **Team and Team International**

[www.teamandteam.org](http://www.teamandteam.org)

Team and Team International, established in 1999, focuses on providing drinking water to the people who are suffering from water shortage and waterborne disease in the most isolated areas of the world. They concentrate on education, through WASH (water supply, sanitation and hygiene promotion) programs as well as emergency relief and early restoration in disaster areas.

## **Utokapat Foundation**

[www.utokapat.org](http://www.utokapat.org)

Utokapat Foundation works to solve water developmental issues throughout Thailand, including disaster mitigation for both excess flood and drought conditions, and continued sustainable use of water for livelihood and economic development.

## **Viva con Agua de St. Pauli**

[www.vivaconagua.org](http://www.vivaconagua.org)

Viva con Agua de Sankt Pauli, established in 2006, campaigns for clean drinking water worldwide. They create awareness for the complexity of the world's water problems through a wide variety of innovative events. To date, more than 2 million people worldwide have been supported through their projects, and they have over 12,000 volunteers throughout Germany.

## **WaterAid**

[WaterAid Australia](#)

[WaterAid Sweden](#)

[WaterAid UK](#)

WaterAid is a global charitable organization committed to transforming the lives of the poorest and most marginalized people by improving access to safe water, sanitation and hygiene. They believe extreme poverty cannot be eradicated without universal access to these human rights, and that everyone on our planet needs them to live healthy, dignified and productive lives.

## **World Wildlife Fund**

[World Wildlife Fund Malaysia](#)

[World Wildlife Fund Russia](#)

World Wildlife Fund's mission is to conserve nature and reduce the most pressing threats to the diversity of life on Earth. They focus on six key areas of protection: food, climate, fresh water, wildlife, forests and oceans. Regarding water, they work to promote good water governance, protect freshwater ecosystems, conserve habitats in the artic, restore resilient ecosystems, innovate ocean solutions, and manage water resources in our fast changing climate.
